## **Murder in Woolwich**

### **Press Release**

Hindu Swayamsevak Sangh UK and its members send our deepest sympathy & condolences to the family, friends and colleagues of young Lee Rigby who died in Woolwich, the victim of hatred, violence and a soldier brutally murdered.

The armed forces protect us, and each of us can send a loud message of support, solidarity and gratitude to all our service personnel serving in our towns and cities at home and overseas.

On behalf of our organisation, and the Hindu community in the U.K., that we are utterly opposed to all forms of violence and terrorism. We need to cultivate a society with mutual respect and solidarity.

We hope that the U.K. Government will undertake action to bring the culprits to justice and to safeguard the welfare of citizens.

END
