Your Excellency the President of Kenya
Dr. Uhuru Kenyatta
State House
Nairobi

This letter expresses our extreme sense of outrage at the horrendous act of terror perpetrated by terrorists at Westgate Mall in Nairobi which has claimed so many innocent lives, including children.

We join Your Excellency and the Kenyan nation in this time of grief with our full humble support against this inhuman act.

We applaud your steadfast resolve to challenge and counter this terrorist atrocity inflicted on the nation and any such acts in future.

Through your office, we express our heartfelt condolences to yourself, to all the families affected and indeed to the whole nation.

May the Supreme Lord grant the whole nation strength to recover quickly from this uncalled for setback and to stand with full defiance against such atrocities in future.

Yours in service of humanity
